

DELF B1 PRODUCTION ORALE

Starting a conversation

Dis-moi !

Tu as deux minutes ?

Je voudrais te parler !

Je peux te parler ?

Il faut que je te parle !

J'ai quelque chose à te dire !

Tell me!

Do you have two minutes?

I'd like to talk to you!

Can I talk to you?

I need to talk to you!

I have something to tell you!

Asking something of someone

Qu'est-ce qui t'arrive ?

Tu me prêterais ta console de jeux samedi soir ?

What's wrong?

Would you lend me your game console on Saturday night?

Asking someone to do something

J'aimerais que tu me parles de la fête.

Est-ce que je peux te demander un petit service ?

I'd like you to tell me about the party.

Can I ask you a small favor?

Suggesting an idea

On pourrait faire un article bilingue.

Et pourquoi on n'irait pas faire un billard plutôt ?

Ça te plairait d'aller au théâtre ?

We could write a bilingual article.

Why don't we play billiards instead?

Would you like to go to the theatre?

Ensuring your interlocutor has understood

C'est clair ?

Tu comprends ?

Tu as compris ?

Ça va ?

Tu vois ce que je veux dire ?

Is that clear?

Do you understand?

Did you understand?

Is everything okay?

Do you see what I mean?

Ensuring you understand the other person

Pardon ?

Excusez-moi.

Comment ?

Je ne comprends pas.

Pardon?

Excuse me.

What?

I don't understand.

Je n'ai pas compris.
Qu'est-ce que tu as dit ?
Doucement.
Si je comprends bien...
Si j'ai bien compris...
Quand tu dis..., tu veux dire que... ?

Accept and Refuse

Pourquoi pas ?
Je suis désolé(e), mais non.
Hors de question.

Expressing agreement

Oui !
C'est vrai !
En effet !
Effectivement !
OK !
D'accord !
Je suis d'accord !
Je suis de ton avis !
C'est exact !

Expressing disagreement

Non.
Je ne trouve pas.
Pas du tout.
C'est faux.
Ce n'est pas vrai.
Je ne pense pas.
Je suis contre.
Tu as tort.
Tu te trompes.

I didn't understand.
What did you say?
Slowly.
If I understand correctly...
If I understood correctly...
When you say..., do you mean that...?

Why not?
I'm sorry, but no.
Out of the question.

Yes!
That's true!
Indeed!
Exactly!
OK!
Agreed!
I agree!
I share your opinion!
That's correct!

No.
I don't think so.
Not at all.
That's false.
That's not true.
I don't think so.
I'm against it.
You're wrong.
You're mistaken.
